

In Correos we have a **common goal**: to reach the whole world to change it.

¿WHAT ARE SDG's?

A set of principles approved by the UN to transform our world. There are 17 goals as:

- No poverty.
- Climate action.
- Ensure prosperity.

¿WHO IS PARTICIPAING?

To achieve these goals depends on all:

- Governments.
- Public and private sector.
- People like you.

¿WHAT ARE WE DOING?

Each month we will inform of a new objective and what we are doing in Correos to help to achieve it.

¿WHAT CAN YOU DO?

- Find out about the SDGs
- Share them with everyone you know.
- Take part of the initiatives around you.
